

SHAPED TOP

In this garment the main stitch is an ikat-plated with two very fine yarns. With the woven technique, a coarser yarn passes through and gives relief to the whole garment. Goring effects offer the garment a 3D shaping. For the collar, a coarser machine on gauge of 1.5.2, is using the intarsia and gore technique.

Top:

Machine: STOLL ADF530-32 Ki Bc W Multi Gauge

Gauge: 7.2
